Each challenge helps the child to explore the Bible both visually and through responding to suggested questions and activities. The BIG Bible verses challenge "I'm currently working on and promoting 'The Big Bible Verses Challenge' ready for next year 'Beginning of January to End of December 2012'. Learn 52 Bible verses in a year. I plan to send them out each week as a Compressed MP3. **This is all free!** I also plan to put the songs on my You tube channel and ask people to subscribe as it's easy and free to for me to load my songs on there and You-Tube will automatically send the new songs to people who have subscribed to my channel (so less work for me).

Why learn Bible Verses? This year we remember the 400 years of the King James version / Bible in translated into English! Many people like William Tyndale gave their lives to give us the Word of God - we owe it to them to treasure this life changing book!

Also the Bible say's "devote yourself to the public reading of Scripture" 1 Timothy 4:13. *"All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It straightens us out and teaches us to do what is right. It is God's way of preparing us in every way, fully equipped for every good thing God wants us to do."* - 2 Timothy 3:16-17 . Details John
